

PRESS RELEASE

You don't have to hit for the shores to find excellent surf, **The Mobsmen** are back!

The massive and thundering sound of **The Mobsmen**, Norway's premier surf and instro rock'n'roll combo, has once again been recorded to tape for your listening pleasure.

All your new favourite hits have the characteristic feel of the band's well-known, majestically sleek guitar style and loud pounding rhythm sound. Yes, the very sound that defines **The Mobsmen**.

Take your time with this one! It is the perfect soundtrack to the summer and will linger throughout all seasons...

It's the new album:

FRATERNITAS AURUM FACTOREM

(alchemic translated «**The Brotherhood of Gold Makers**»)

Now available from **Double Crown Records** and all good record stores around the globe.
